

BRIEF HISTORY

Began in December 2003, when a group of 13 friends got together and discussed the need of a balanced education that met the aspirations of both parents and children, in the midst of the various problems of the inner cities of Birmingham.

After having successfully registered with OfSTED in June 2005, the nursery and primary school opened its doors September of that year.

PRESENT ON GOING PROJECT AND ACTIVITIES

The main purpose of the organisation was to improve the quality of education provision by designing various educational projects that would meet the aspirations of the community. These included a Nursery School, Primary School and Evening and Weekend Arabic Madrasa

FUTURE PLAN

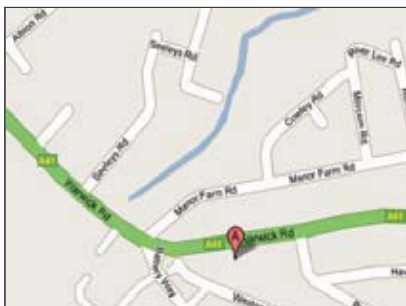

Add more year groups to the current school and enrol more students.

Expand Madrasah to complete Alim class.

Needed approximately £250,000

FUNDS NEEDED

Need to renovate building immediately. Also urgently needed are toilet, heating, IT, science lab and general repair work. Immediate requirement - £150,000
