

BRIEF HISTORY

Darus Salam, Manchester, began after purchasing a former Laundrette shop in 1994. Since its inception, regular 5-times Salah takes place there including Friday Jumu'ah prayers. In 2002, number 45 Slade Road was also purchased amid increasing number of Musallis in the area. However, this extension work had to be stopped due to the exhaustion of funds.

PRESENT ON GOING PROJECT AND ACTIVITIES

Currently evening classes are being taught with around 50 pupils attending after school. We have a team of 3 teachers which includes a dedicated teacher for our sisters.

Additionally, for our older brothers in the community we arrange Tafsir classes on Wednesdays every week.

FUTURE PLAN

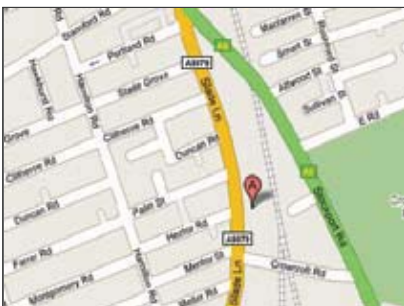

In future we see ourselves expanding into a fully functional educational institution whereby we can accommodate Islamic education alongside the national curriculum. We will also be expanding our facilities to enable us to reach the goal.

FUNDS NEEDED

Extension of the back of Mosque to accommodate more Musallis, as well as a special area for sisters' prayer facilities.

Funds needed - £150,000
