

### BRIEF HISTORY

Established in 1910 when some notable Muslim figures decided to build a mosque in London and established the London Mosque Fund. The East London Mosque & London Muslim Centre is in the heart of Tower Hamlets, a diverse borough with a rich history, and home to the UK's largest Muslim community.

### PRESENT ON GOING PROJECT AND ACTIVITIES

- Focus on the needs of the diverse Muslim community whilst ensuring services are open to all.
- Meet the needs of the local community by promoting health, education and employment opportunities.
- Provide Muslims and non-Muslims with the opportunity to learn and understand Islam, through dialogue, discussion and social interaction.
- Contribute to the social, cultural, spiritual and economic enhancement of the whole community, through policy and strategy development and service.

The East London Mosque & London Muslim Centre offers a range of services that enable young people and women to engage in a positive and safe environment. We have one of the youngest congregations in the UK, with increasing numbers of youth actively engaging in programmes of learning and recreation, dealing with issues of anti-social behaviour, drugs, extremism and gang culture.
