

KENTISH TOWN MOSQUE

BRIEF HISTORY

Established in 2001, Kentish Town Mosque’s sole purpose is to facilitate the needs of the local Muslim community and to advance the religion of Islam and Islamic religious education.

PRESENT ON GOING PROJECT AND ACTIVITIES

A fully functional Mosque where 5-times Salah takes place. Jumu’ah salah is also carried out, although due to the extreme shortage of space, Jumu’ah is offered in two different places with a total of 3 times, twice in the current premises and one additional Jumu’ah in hired premises.

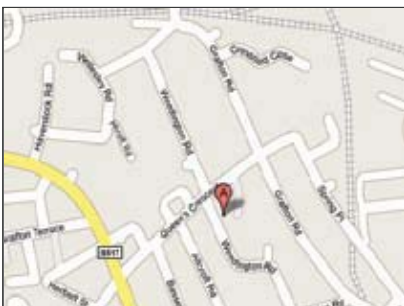

Local children also attend evening and weekend maktab.

FUTURE PLAN

In future, Kentish Town Mosque sees itself as serving the growing muslim community by establishing a complete Islamic Centre.

FUNDS NEEDED

Due to the severe shortage of space in the current premises, Kentish Town Mosque is in dire need of bigger premises. A building is in the process of being acquired at a total cost of £2.6 million. We need to raise a minimum of £1.3 million by the end of this year to secure the purchase.
